Makuhari Messe International Exhibition Hall
Free Wi-Fi Service Information

Starting April 2026, Makuhari Messe International Exhibition Hall will expand the areas where visitors can use our free Wi-Fi service. Please take advantage of this comfortable internet environment.

■Available Areas

・ Inside the Halls of the International Exhibition Hall

・ Indoor Common Areas (2F) of the International Exhibition Hall

※ Not available in the International Conference Hall or Event Hall.

※ Please refer to the "Free Wi-Fi Service Coverage Map" for details.

■How to Connect

Top Screen

・ Enable the Wi-Fi function on your Wi-Fi-enabled device.

・ Select "Messe_Free_Wi-Fi" from the list of SSIDs and connect.

・ When your browser launches, the user top screen will appear.

・ Agree to the Terms of Use and authenticate using your email address or SNS account (Facebook, X (formerly Twitter), d Account, Yahoo!, Weibo, LINE).

■Security Method

Wi-Fi CERTIFIED Enhanced Open

■Supported Languages

Japanese, English, Chinese (Simplified/Traditional), Korean, and 10 other languages

■Usage Time

180 minutes per session (unlimited per day)

※After the first session, the Wi-Fi portal top screen will appear.

Simply click "Connect to the Internet" to reconnect.

■Important Notes

・ Please manage the security of your own device.

・ Please refrain from using this service for important communications.

・ We assume no responsibility whatsoever for any damages incurred through the use of this service.

・ We cannot guarantee communication speeds.

・ Service may be unavailable in the hall due to event production requirements.
